

Supplemental Toolkit

Not exactly a tech tip; but how about recreating the original toolkit for your Sprite. In addition to the standard tools which came with the Sprite (Jack, wheel spanner etc.), there was a supplemental toolkit offered by BL under the part number AKF 1596 (now long discontinued).

It contained the following in a waterproof canvas roll:

- 5/16 in. x 3/8 in. AF Spanner
- 1 pair 6 in. Pliers
- 7/16 in. x 1/12 in. AF Spanner
- 7 in. x 3/8 in. Tommy Bar
- 1/12 in. x 9/16 in. AF Spanner
- 1 1/2 in. x 9/16 in AF Tubular Spanner
- 9/16 in. x 5/8 in. AF Spanner
- Screwdrivers
- 11/16 in. x 13/16 in. AF Spanner
- 3/4 in. x 7/8 in. AF Spanner
